Write an essay to answer the following question:

Based on your academic and professional background, describe how you envision your role as a lecturer at ITS in an essay of **1000-1250 words**. Include your plans for contributing to the advancement of your field of expertise and your active involvement in supporting the vision and mission of ITS

⚠️ **WARNING ON AI USAGE**

- This essay is a critical component of the lecturer recruitment process at ITS, designed to assess your vision, intellectual depth, and personal character. Therefore, the originality and authenticity of your submission are non-negotiable requirements.

- Please be advised that our system is equipped with advanced software to detect AI-generated content (including but not limited to tools such as ChatGPT, Gemini, Claude, etc). Any essay identified as being generated or significantly assisted by AI will result in **immediate disqualification** of the applicant **without further notice**.
